How to do Business with HACSB

January 31, May 1, July 31, & October 30, 2012

2:00 pm to 3:30 pm

The Housing Authority of the County of San Bernardino (HACSB) is conducting four Informational sessions, via webinar, on "How to do Business with HACSB". The sessions will be held on January 31, May 1, July 31, and October 30, 2012 from 2:00 to 3:30 p.m. The webinar sessions are FREE and will introduce you to the types of projects that we have planned and how HACSB solicits bids for these goods and services. As a publicly funded agency, we are required to solicit all of our needs through a competitive bid process. We will discuss how you can assist us through your participation in the bid process. Information provided during the webinar will include general information on how to complete a public agency's bid response.

The Housing Authority of the County of San Bernardino (HACSB) is one of the nation's most progressive and proactive housing authorities and the largest provider of affordable housing in the County. HACSB owns 2,514 affordable housing units located throughout the County of San Bernardino. We proudly serve in excess of 30,000 people, most of whom are seniors, disabled individuals, and children.

In 2008, the agency embarked on an agency wide strategic planning process with the following objectives: help clients achieve economic independence, ensure freedom of housing choice, and save tax payer dollars through efficient work. This has allowed us to enhance our work around our mission and service philosophy. Ultimately, our Mission of empowering all individuals and families in need to achieve an enriched quality of life by providing housing opportunities and resources throughout San Bernardino County is our top priority.

As we see the demand for affordable housing increase, the limited affordable housing supply we currently have available is not enough to house the thousands of families in need. As a developer of sustainable affordable and market rate housing, over the years we have expanded our housing stock in an attempt to meet the county's growing needs. Working diligently to acquire, build, and renovate properties, we incorporate the concept of mixed income communities, build utilizing green technology, and provide recreational and educational facilities for everyone's use.

Additionally, we are here as a stepping stone for families who need help building a foundation for a brighter future. Therefore, aside from providing housing, we assist our customers with ways of becoming economically independent. In collaboration with our partners, we provide: family/individual case management and counseling; career training and job placement; program integrity; homeownership assistance; college scholarships, to name a few.

We value our vendors and contractors as partners in our mission to empower all individuals and families in need to achieve an enriched quality of life by providing housing opportunities and resources throughout San Bernardino County.

We hope that you will plan to join us for one of our Webinar sessions to learn how you can provide goods and services to enable us to continue our mission.
